Access RoadRunner with your Campus-Wide License

Instructions

RoadRunner products (RoadRunner, RoadRunner Asset Library, RoadRunner Scene Builder, and RoadRunner Scenario) are included with your university's Campus-Wide License but are not part of the MATLAB installer. Follow these steps to gain access:

Before proceeding, *sign in to mathworks.com* with your university email address.

1. **Identify your license administrator** (*Instructions*). Ask them to go through the process described in Step 2.

2. **(For license admin) Add user to RoadRunner license**
   a. Log in to the *License Center* on the MathWorks website.
   b. Click on 'View additional licenses'.
   c. Click 'RoadRunner (Individual)' in the license list.
   d. Click on the 'Manage Users' tab.
   e. Add the requesting user's university email address.

3. **Obtain license file**
   a. Go to the *License Center* on the MathWorks website.
      If prompted, sign in to your MathWorks Account.
   b. Click the RoadRunner license in your account.
   c. On the Install and Activate tab, click **Activate a Computer**.
   d. In the form displayed, enter all requested information. When finished, click **Submit**.
   e. Download or email the license file and save it to a folder on the computer where you will install RoadRunner.

4. **Download the product installer**
   a. Go to the *Downloads page* on the MathWorks website.
   b. Click on **Get RoadRunner Products**.
   c. Download the platform-specific installer to the computer on which you want to install RoadRunner.
