* *Important information about OS X 10.5 support*

Graphics

- X11 (X server) for Mac OS X*

Compilers (for MEX Files)

- View an up-to-date list of *supported compiler* versions from third-party vendors.

Support for Products on Operating Systems No Longer Supported

If you are enrolled in *Software Maintenance Service*, MathWorks will respond to technical questions and provide workarounds when possible for a period of two years from the date when MathWorks ended support for an operating system. See the *platform road map* for more information.
